ABOUT JAKE SCOTT:

Delivering impactful anthems with impressive consistency and grinding tirelessly, Jake Scott has quietly arrived as a proven pop maverick with a dynamic style and a whole lot to say. Born in Fayetteville, Arkansas and based in Los Angeles, the singer-songwriter, producer, and multi-instrumentalist initially transformed into an independent phenomenon. Beyond co-writing for the likes of Jason Mraz, Aloe Blacc, and Carrie Underwood, he unveiled music at a prolific pace

before doubling down and dropping one song per month from the beginning of 2018 until the end of 2020. Audiences embraced favorites such as “Like No One Does,” “Tuesdays,” “Favorite T-Shirt,” “She,” and “I Don’t Miss You.” He sold out his very first headline tour and built a diehard fan base, gathering 350 million global streams, averaging over three million monthly listeners on Spotify, and attracting hundreds of thousands of followers across social media. Along the way, he garnered praise from *Billboard*, *Forbes*, and *American Songwriter*. He opened up LANY’s 2021 fall tour and is currently on the road for a sold out headline run in 2022. Signing to Elektra Records, Jake forges ahead yet again with new music very soon.

ABOUT BEN RECTOR:

Growing up in Tulsa, Oklahoma, Rector never expected to find himself immersed in the music scene. Though he spent his childhood learning piano and eventually picking up guitar in his teen years as he made the transition to singing and songwriting, Rector was not truly serious about his music until he studied at the University of Arkansas. It was there that Rector released his first self-titled EP, launching his music career as he began playing live shows. By the time he graduated, Rector had released two full-length albums and was ready to make the move to Nashville in order to dive head-first into the music industry.

Now, Rector has made a name for himself as both an artist and songwriter. He’s released seven studio albums, including *Brand New* (2015) which peaked in the Top 10 on the *Billboard* 200 and *Magic* (2018) which debuted at No. 1 on the *Billboard* Americana/Folk Albums chart. Last year, he used his experience to be an all-star mentor on ABC hit show *American Idol* alongside Ryan Tedder, Jewel, Jason Aldean, Jimmie Allen, Joss Stone among many others. Rector’s music has been used in over 100 television and film placements, including *The Ellen DeGeneres Show*, *Pretty Little Liars*, *American Idol*, among others, and his sold-out amphitheater shows have landed him television performances on *Jimmy Kimmel Live*, *Conan*, the *TODAY Show*, and *Live! with Kelly and Ryan*. When the pandemic hit, Rector took the time to pour into his music as much as possible and has since announced his upcoming album, *The Joy Of Music*, is scheduled for release on March 11, 2022.
